WHAT: Vanilla Room opening
WHEN: Tuesday 31 August
WHERE: Vanilla Room, Leichhardt
WHO: Oscar Humphries, Katrina Blowers, Faye De Lanty, Catherine and Sam Sgambellone

Beckett Tucker, Robert Hewes and David Alexander brought out the big guns for the hugely anticipated opening night of their new Leichhardt venture, Vanilla Room. Paying great attention to detail, the boys arranged for sleek silver BMWs to ensure a lavish arrival for their invited guests, while inside the sophisticated wine bar there was no shortage of riesling, chardonnay, shiraz, merlot and sauvignon, not to mention Frangelico and orange cocktails and delicious canapés. After an introduction by Leichhardt local and Nova 969's Katrina Blowers, Beckett treated guests to a guided wine and food-matching session, which turned into one big party.
