Vanilla Room opening, Norton St, Leichhardt

A swag of "eastie" circuit types got their passports out and ventured out of Paddo to some serious social squisharama down Leichhardt way.

The Vanilla Room, just opened by Beckett Turner, Robert Hewes and David Alexander, had a huge selection of vanilla-vodka cocktails, and all received positive feedback. (We suspect that had something to do with the party kicking on hours past the planned 8.30pm finish.)

In the prize draw, Jodie Macqueen Jones, from Marcs, won two nights at Cypress Lakes Resort. Other prizes included a Fashion Assassin T-shirt and bag, dinner for four at the Vanilla Room and drinks worth \$100.

✓**FACES:** Paul Mac, Alex Zabotto (who hosted a birthday party at his home last weekend), Faye de Lanty, Natasha Zuvela, Kayne Taylor (winner of Popstars), Sam and Catherine Sgambellone, a tandooried, just-back-from-Hayman Oscar Humphries, and American actress McKenna Jones, a star of the this year's *The Bold And The Beautiful*.

✓**CHARMED:** Morrissey is doing the uniforms for the Vanilla Room staff.

×**ALARMED:** Was that the city's serial gatecrasher being booted out of the V Room?
